Re: Sykes, et al. v. Mel S. Harris, LLC, et al.
09 Civ. 08486 (DC)

Dear Judge Chin:

We represent defendants Samserv Inc., William Mlotok, Benjamin Lamb, Michael Mosquera, and John Andino (collectively the "Samserv Defendants"). The Samserv defendants hereby join in the motions and submissions made in support of the proposed class action settlement. Although the Samserv Defendants deny the allegations made, as referenced in the motions and submission filed before this Court, the proposed settlement would resolve all outstanding claims and would fairly and efficiently address the concerns raised all parties in this matter.

Respectfully submitted,

Jordan Sklar
